

4 CORNERS APARTMENTS

Jarbou Ronnisch Construction was selected as the Construction Manager for this multi-family and retail development in White Lake Township. Overlooking Cooley Lake in beautiful Oakland County, this 81-unit complex offers the most modern and up-to-date amenities for its tenants. A dual project—entailing site development activities for the retail component—as well as the apartment construction, this project was ready for occupancy in the Fall of 2021. The project consisted of the coordination of various trades, subcontractors, and materials, provided by both the owner and Jarbou Ronnisch subcontracts. The project also included an underground, heated, parking garage, and amenities such as an exercise room, pool table area, outdoor barbecue and fire pit area, sun deck, and a yoga studio.
