

FIXINS DETROIT

Ronnisch Construction Group served as the Construction Manager for the renovation of Fixins Soul Food in Detroit, MI, a project that revitalized this beloved restaurant's space to enhance both function and customer experience. The renovation involved a reconfiguration of the dining area, creating an inviting and dynamic layout that includes a new bar, which serves as a focal point for patrons. In addition, the project introduced updated bathrooms that offer both style and convenience, catering to the needs of a diverse clientele. The kitchen service area was also transformed to improve operational efficiency, ensuring that the quality of service aligns with the restaurant's reputation for delicious soul food. Throughout the renovation, Ronnisch Construction Group focused on maintaining the authentic character of Fixins Soul Food while implementing modern design elements that elevate the dining atmosphere.
