

HENRY FORD OPTIMEYES

Jarbou Ronnisch Construction was selected as the Construction Manager for Henry Ford OptiEyes' locations in Farmington Hills, Plymouth, & Oak Park, Michigan. These new construction builds that include the new building construction (core and shell) and the interior fit-out for Henry Ford OptiEyes. This project is unique in that it included a ground-up construction and a tenant fit-out. The build-out incorporates new corporate standards for Henry Ford OptiEyes.
