

# WHOLE FOODS

Ronnisch Construction Group is proud to support the development of the new Whole Foods Market at the corner of 6 Mile and Haggerty in Livonia, a key anchor within a transformative 22-acre mixed-use redevelopment. Our team is helping bring this high-profile national grocer to life as part of a larger site plan that includes retail, residential, and hospitality components, reinforcing the corridor's emergence as a modern retail and lifestyle destination. From site preparation to core construction activities, Ronnisch delivers the coordination, quality, and construction management expertise required for a project of this scale, ensuring Whole Foods' new Livonia location rises with efficiency, precision, and long-term community impact.
