

BLOSSOM CHILDREN'S CENTER BRIGHTON

When Blossom Children's Center sought to expand west to Brighton, they chose Ronnisch Construction Group to build their new, 33,000 square foot flagship location. An innovative and community serving concept, Blossom seeks to provide the highest quality therapy in a collaborative environment that improves the lives of those in the special needs community. With a family focus and an interdisciplinary approach to therapy, Blossom is on the forefront of behavioral therapy. Blossom Brighton includes a pretend play neighborhood complete with restaurants, dental offices, and doctor's offices. All designed to properly sensitize children to the real world in a controlled, non-threatening environment.
