

OAKLAND HILLS COUNTRY CLUB

Oakland Hills Country Club selected Jarbou Ronnisch Construction as Construction Manager for a series of exterior and interior improvements across the historic and prestigious club. Enhancements included upgrades to the locker room, driving range, construction of a new golf training building, improvements to the paddle and clay tennis courts, and renovations to the competitive swimming pool. Throughout the project, Jarbou Ronnisch provided construction expertise and a high level of customer service to meet the club’s standards and expectations.
