

## WISDOM CITY CHURCH

Wisdom City Church (formerly Motor City Church) in Troy, MI showcases Ronnisch Construction's ability to support community-focused and adaptive worship spaces through thoughtful build-out and renovation services. The project involved transforming an existing facility into a welcoming, functional environment for a growing congregation, accommodating flexible worship space, gathering areas, and support functions for church operations. Working closely with the church leadership, the Ronnisch team delivered quality craftsmanship and coordinated construction execution that reflects the vibrant mission and community orientation of Wisdom City Church, enhancing the experience for its members and visitors alike as the congregation continues to grow and serve the local community.
